
ABI – LawNet Preferred Supplier

LawNet is a network of over 70 independent law firms across the UK and Ireland that regularly instruct investigators and litigation support agents.

Membership of LawNet is by invitation only, and every member law firm must maintain the LawNet ISO 9001 quality standard. Together, the firms have a combined turnover of more than £300m, equivalent to that of a UK Top 15 law firm.

The ABI has been appointed as the sole LawNet Preferred Supplier in our sector.

What does Preferred Supplier Status mean? *LawNet Preferred Suppliers are organisations, like the ABI that have been selected to form part of LawNet's supplier portfolio and are promoted to LawNet member firms as providers. For the ABI, this means delivering a vetted network of competent, compliant service providers in our sector. ABI inclusion in the Preferred Supplier Scheme provides a range of promotional and engagement opportunities and gives ABI members exclusive referral opportunities.*

As an ABI member you are invited to express interest to be added to the ABI's Preferred Supplier list for LawNet. Members who take part may have their ABI profile marked as a LawNet supplier member, and LawNet firms will be directed to the list when they need investigative or litigation support.

Conditions of participation:

To join the list, members will simply need to:

1. Offer LawNet member firms a 10% discount on the rate they usually charge clients.

2. Be transparent about pricing, clearly showing their standard (RRP) rate alongside the discounted LawNet rate.

3. Continue to adhere to the ABI Code of Ethics & Professional Standards and all applicable legal, regulatory and data protection requirements, including the good practice guidance in the ABI UK GDPR Code of Conduct.

LawNet also reviews its suppliers on an ongoing basis, so the service, conduct and professionalism of everyone on the list reflects on the ABI as a whole. I know you will uphold the high standards that earned us this appointment.

How to register your interest:

If you would like to be added to the list, please email the ABI Secretariat at secretariat@theabi.org.uk confirming that you accept the conditions above.
